SEAFARER INTERNATIONAL

ON THE SEA
FROM THE SEA
BEYOND THE SEA

Who We Are

SEAFARER is an American-Registered Consulting Company with Overseas Offices and Extended Capabilities providing Maritime Security, Risk Analysis, and Training in Africa, Asia, and Mideast. SEAFARER's Services will be the most valuable to clients from Security Conscious Commercial Sectors

- Shipping
- Finance
- Logistics
- Human Aid
- Development
- Communications
- Infrastructure
- Resource Extraction
- Foreign Training
- Remote Construction

What We Do

SEAFARER discretely protects Lives, Property and Reputations. We build Teams of Unmatched Talent and Excellence for Maritime or Land Environments that are the most Personally, Politically, Financially and Geographically challenging by:

- Selecting the best qualified individuals.
- Training and constantly reassessing skills.
- Organizing for each specific client's project.

Our Teams are selected for their proven record of Crisis Avoidance and their commitment to the Rule of International Law, Human Rights and Maturity.

Our Advantage

Our Principals, Advisors and Associates are our Greatest Resource. All have extensive experience in Global Special Operations, Intelligence and Analysis and Diplomatic Endeavors. All had highly successful careers in Law Enforcement, Crisis Management, and Risk Analysis. Most importantly, we know the ground with unmatched local area assets.
